The Presbytery of Lextington.

(For the Dispatch.)

For D shoulders of the former a burthen grievous to be borne. The soutisern fibrusters, it will be said, deprived New York of over two millions of dollars, Illinois of nearly a million, &c., &c. The worst possible result would be the election next fall of a Republican House of Representatives, It is to be hoped that this result is not at all likely; but yet no one can deny that it is, as we have said, possible. In a few days we shall be better able to the prospectation of the content of a few days we shall be better able to judge as to what is to come out of the crats by two to one, but the Democrats filibustering of the last week. It is certain that the bloody-shirt brigade will morale. Randall at the head of rally to the support of the direct-tax bill. the Democrats led the opposition. MURAT HALSTRAD will have a new text for his anti-southern diatribes. Mr. CLEVELAND will as the Democratic CLEVELAND will, as the Democratic were made without ceasing, and the candidate for President, have to House remained in continuous session suffer from or profit by this same night and day until 10 o'clock on Saturfilibustering. But the Mugwump day morning. At that hour after a continuous session of seventy hours, an adpresses and orators will stand by journment was taken on the motion of him, and the man who vetoed the Jasper D. Ward, a Republican represendependent-pension bill is not the man to tative from Chicago. Many Republicans, deny that he did (if he did) what he could to defeat the direct tax bill. And yet the very fact that he dared to veto and three nights members were in conthe former bill militates against the as- stant attendance. Randall was in his sumption that he manusured to get rid place to make every necessary motion, of the direct-tax bill by indirect methods, and all the old habitues remember how And how is legislation upon the tariff

to be affected by this filibustering? he never deserted at that time. Will not the minority avail themselves | Forty-fourth Congress had been elected. of Mr. Carlisle's ruling as to motions It was Democratic. Randall wanted to excuse members from voting? If it to be made Speaker, and he succeeded. was right for Mr. Oatzs and his backers the Forty-fourth Congress. Although thus to defeat a bill in favor of which the bill dragged along for another week, were two thirds of the members of the the dead-lock was broken with the adcourse be right for Mr. KELLEY and his followers to defeat any proposed antiprotection legislation in the same way.

The House of Representatives has the (Cox), reported a new gag rule, and matter in its own hands. It has the right to overrule the Speaker's decision which made the late filibustering possible. It ought by all means so to change its rules of procedure as to make that but not without modifications." sort of filibustering impossible. A little of it is a good thing sometimes.

The fact is that the possible results of the last week's filibustering cannot yet be catalogued. The public are at sea on

the subject. "A pebble in the streamlet scant Has changed the course of many a river,"

The Remedy.

The Boston Herald, referring to the Rhode Island election of last week, asks:

"Is there no remedy for this state of ent session of Congress. They may affairs? Is there not virtue enough in possibly prevent the return of the meney politics in the State to enforce a law against bribery at elections?" Yes, there is a remedy. The remedy

is in Democratic ascendency. It is true that in the late election the Democrats were not above suspicion, but we must consider the influences by which they have been surrounded, lo! these many to-day with the resolution of comproyears. If the dominating influence—the influence of the party one of whom have according to adopt. He is not the front to-day with the resolution of compronise which the two Democratic factions in the property of the party one of whom have according to adopt. He is not the front to-day with the resolution of compronise which the two Democratic factions in the property of the party one of whom have according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise which they are according to the front to-day with the resolution of compronise whic influence of the party, one of whose have agreed to adopt. VATIONAL FIRE-INSURANCE COMPANY OF BALTIMORE, MD.

HOGS AND POWLS, AND A CURE IF

West, Introduced East now for the first time. Lone Jack Tobacco is known throughout world, and so is its distinguished inventor a proprietor, John W. Carroll, Est. See what says: "Fer some mounts past I have been the GREAT WESTERN CHOLEGA CHIES to went choisers in my bogs, and with the mestactory results. While others in the science my plantation have been troubled with their ride secongs, my hogs have been cultivary from it, and I believe the liberal use of the value medicine will entirely prevent choises. Mr. Elias O. Payse, of Adams Brathess. Arme, says: "I have very fine obscious, at think a great deal of them. Not long ago, to much to my regret, the choicers oroles out and hism. All were droppy, others very six, a some died, and I thought I would lose all of the I was advised to use the WESTERN CHOIS. CURS, and did so. The effect was since tomarthy commenced improving at ones. No indied, and in two or three days they were all wand thrifty, and not one has been six at you are sutherized to give it my need missinstic endormation, and I recommend its both has preventive and cure of one keep school.
